

HAND PROTECTION

Powder-Free Aloe-Coated Interior Orange Nitrile Disposable Gloves

DESCRIPTION

These disposable gloves are made of 6 mil orange powder-free heavyweight nitrile. The interior is coated with freeze-dried aloe to moisturize damaged, cracked, and chapped hands. They are ambidextrous, 11 inches in length, and features a rolled/beaded cuff. Each dispenser box includes 50 gloves and there are 10 dispenser boxes per case.

These gloves are in compliance with FDA regulations for food contact.
